

Welcome to the 2010 Crystal Frolics website. The Crystal Frolics is held by the Crystal Frolics Committee, a non-profit organization, which is comprised of members of Crystal civic groups, service organizations and interested residents. These organizations include the West Metro Fire Relief Association & Auxiliary, the local VFW Post 494, Crystal Lion's Club, Boy Scout Troop 533 and the City of Crystal.

Proceeds from the beer and food tents support the service organizations and in turn support the Crystal Frolics. Without the support of these organizations, the Frolics would not be able to happen each year, since we operate through donations. This financial support funds the softball tournament, fireworks, music and other activities. We ask that you help support the Crystal Frolics by purchasing food and beverages from the many Civic Organizations located at Becker and Welcome Park. In addition, beer and wine coolers should not be brought into the parks, but purchased from the West Metro Relief Association Tent (Becker) and The Crystal Lions (Welcome). Alcoholic beverages must be purchased on site. Event Security will check your coolers, as it is unlawful to bring alcoholic beverages into Crystal parks.

Again, this year, we are asking for your support by purchasing Crystal Frolics buttons. The proceeds from the buttons pay for the additional security to ensure your safety and well-being. In conjunction with the City of Crystal, we are doing all we can to continue to keep the Frolics a safe and enjoyable family friendly community event.

Your help and support will go a long way in keeping the Frolics and its Softball tournament as one of the best weekends in Minnesota. Thank you for your understanding and for supporting the Crystal Frolics.
